## Product Solution

Brake Maintenance Center

## Sealants

## Anti-Seize

## Gasket Makers

## Aerosols

**Non-Chlorinated Brake & Parts Cleaner** provides maximum performance in a cleaner without depleting the ozone or hazardous chlorinated solvents. Dynatex Brake Clean penetrates through dirt, grease, and brake dust. Leaves no residue and dries fast. Available in aerosol can (not sold in CA) 1gal, 5gal and 55gal drums.

**Brake System Silicone Grease** is a silicone based lubricant that protects rubber and plastic gears. Silicone Grease contains NO petroleum or by-products that locks out moisture and has excellent wash-away resistance. Recommended by major brake installer chains, fleets and brake manufacturers.

**Brake & Caliper Lubricant** is a high performance, high temperature formulated grease that lubricates under the most harmful brake conditions keeping the caliper pins, sleeves, bushings and pistons operating throughout the brake pad life. Prevents corrosion.

**Ceramic Disc Brake Grease** is a pure synthetic, high concentration dry-film, boundary lubricant treated with the latest rust, oxidation and anti-wear additives to provide lasting protection against friction, wear and corrosion. A superior noise dampening compound that will last the life of the brake pads and shoes hence reducing customer comebacks resulting from noise complaints. Stays in place to protect at extreme temperatures from -50°F to +3,000°F. Designed to be compatible with most plastics and rubbers, especially ethylene propylene rubber (EPDM, EP or EPT) commonly used in brake caliper systems.

**Disc Brake Quiet** forms a High temperature film that absorbs vibration while quieting squeaks and squeals. Disc brake quiet can be applied on backing plates, brake pad contact points, on back of brake pads. Available in aerosol and paste.

Dynatex is an ISO 9001 certified manufacturer and packager of branded and private label chemicals for everyday Automotive, Heavy Duty and Industrial Maintenance Markets

## Ordering Information

Dynatex Part No.	Description & Size	Units Per Case	Permatex® Functional Equivalent
49590	Brake & Caliper Lubricant 8oz. Brush Top Bottle	12	24110
49593	Brake System Silicone Lubricant 5.3oz. Tube Boxed	12	
49660	Ceramic Disc Brake Grease - Green	6	24125
	6.75 Fl. Oz. Trigger Can with Brush Applicator	12	82017
49661	Disc Brake Quiet 4oz. Squeeze Bottle	12	80077
49662	Disc Brake Quiet 12oz. Aerosol Can 9oz. Net	12	82220
49665	Non-Chlorinated Brake & Parts Cleaner		
	20oz. Aerosol Can 14oz. Net
